SHIRT of the DAY

Wednesday June 27– AAU t-shirt (you can wear a polo underneath if you want)

BE ON TIME

It's very annoying when all your matches are going great and things are on time and then your partner is not at the court to start the next match. If you are 'off', there is absolutely no reason that you should not be at the court before the previous match is completed. Please make a more conscious effort to be at your court so matches can start on time or as quickly as possible. Thank you for your cooperation.

ARBITER PAY

I guess the Arbiter Pay website has been down over the past couple of days, so if you still need to get me your correct information, please do it as soon as you can.

WEDNESDAY MATCHES

Wednesday is a full day of matches. All of the lead referees are working one wave and refing one wave. Don't forget to hydrate well. Eat when you need to and know that we only have 2 days left to go.

You all have been doing a great job! Keep up the good work!!

NOTES FOR THURSDAY (FINALS DAY)

Before you leave the tournament, you should check out with the office to verify your match counts. Make sure you leave your nametag (for next year). You can checkout anytime after 10 am.

There will be a change in the way All-American ballots are handled. Coaches must now enter their All-American choices directly online (through a link). For matches that have an impact on the All-American selections, there will still be a paper attached to the scoresheet that must be given to each coach, however, you must NOT accept any paper copies from the coach. The paper will have instructions on how and where the coach must enter their selection. The important thing for you, as a referee must remember is that you cannot accept in return any paper ballots. Direct the coach(s) to championship. Thank you for your assistance and cooperation.
