TRANSPORTATION FROM THE HOTEL TO THE CONVENTION CENTER

1. If you have your own car and you want to drive to the convention center, you must take a full carload of referees with you, if you want a parking pass.
2. There are only 50 parking passes available per day. If you choose to drive yourself and do not have a parking pass, there is no reimbursement of parking fees.
3. Most parking passes are gone by 7:15 am.
4. The buses run from 6:45 am until 9:30 am and will drop you off in front of the convention center. Follow the crowd to find the officials room.
5. The buses load in the back of the hotel by the ballrooms.
 - a. If you are going to Disney, DO NOT GET ON A BUS! Only vans and personal cars go to Disney.
6. If you are planning to drive, please follow this plan in the back parking lot:
 - a. Do not drive in the lane closest to the hotel. Leave that lane open for the buses to drive in.
 - b. If your car is full and you want a parking pass, go to the 3rd lane from the building.
 - c. If you need to wait for passenger to fill your car, you should park in the 2nd lane from the building.

SHIRTS and VIK

Most everyone who is working all 3 sessions or 2 sessions, should have received the shirt and jacket sizes you requested. If you are working only 1 session, your VIK was filled last. So those working only 1 session definitely got a t-shirt and should have received at least one of the other items (mostly in your selected size). If your size is at either end of the spectrum, you might or might not have gotten an additional item.

There is NO EXCHANGING of shirt sizes until at least Tuesday (June 18) after 10:00 am. You can bring your unworn item to see if we have a different size. We do have plenty of t-shirts, so getting you the correct size will not be a problem.
