### **SHIRT of the DAY**

Wednesday July 22 – blue or white certified officials shirt or a blue AAU shirt.

### **FINALS DAY**

Tomorrow is the second session finals day. Remember the losing team must stay to officiate on the same court. We do not have any extra referees to cover any team that leaves, so make sure you tell both teams one of them must stay to officiate.

Tomorrow matches can start as soon as all 3 teams are ready to play.

### **VERY IMPORTANT – READ CAREFULLY CHECKOUT**

I must turn in all the payment information by 11 am tomorrow. If you are working tomorrow, you **MUST** stop in the office **BEFORE** you work your first match to verify your final match counts. If one of your matches gets changed tomorrow, I will send in an updated count to AAU.

If you verify your match counts by 10:30 am, your check will be mailed on Friday. If you have not verified your counts, your check will be mailed next Friday (July 31). If you do not arrive at the convention center until after 10 am, you can call the general AAU phone number (531-772-3340) before 10:30 and we will check you out over the phone. Then you can stop in the office and pick up your yellow copy. Make sure you **leave your nametag** in the designated box or with the office staff.

Make sure your friends read this information too.

**We survived the covid tournament!!** Thank you to everyone who was here at anytime during these past 8 days. Despite all the naysayers! The time has gone by quickly. You all did a great job. We learned somethings and we sanitized frequently. And we know how hard it is to wear a mask all day. I'm glad you were here. If by chance you do get sick in the next couple of weeks, please let me know, so I can report to AAU. You are now free to post all pictures, etc to social media. I look forward seeing you again in the future.
