THANK YOU, THANK YOU

It is with much gratitude that I thank you for all the work each one of you has done over the past 4 days. We cannot do it without you. Your dedication to volleyball makes it better for everyone.

I also want to send out a BIG shout out to all the staff and lead refs that help me pull this all together. Without them, none of this is possible. They are THE BEST!!

We still have 4 more days to go. Let's go out and make it great!!

SHIRT of the DAY

Sunday July 19 – gray or white certified officials polo.

NEW SESSION

Tomorrow a new session will start. So we must start again helping chaperones and teams understand the importance of wearing their masks. It's not a bad thing to have the coach on the bench help you help their team before or during your match. I think WE understand how it should work, so let's 'get it done' the right way.

NORTH DESK ONLY

There will no longer be a south desk, but there will be courts on one side of the south hall. Since this is the start of a new session, all scoresheets can be taken to the court at one time. A lead referee will be stationed in the side area with a basket of sanitized balls, pens and pencils and a basket for unsanitized balls. This is so you won't have to walk back to the north desk for a new ball for each match.

OTHER NOTES

** In case you have not heard, the WAWA gas station next to the hotel has been closed because of a covid case. I hope if you went in there the past few days, you were wearing a mask. Remember only you can prevent a corona virus outbreak.

** The office has one Fox 40 electronic whistle for sale at \$25. Stop in if you are interested.

** We are all in this together, but remember to 'stay in your lane'. Don't insert yourself into someone else's match without their permission. If it does not concern you, keep it to yourself.

** Don't forget the pizza party at the hotel tonight from 5 – 7. If you don't make it there by 7, check with me. I might have some food leftover.

** If you have not yet verified your match counts for the first session, please stop in the office immediately. After tomorrow, no changes will be made to any first session counts. Match pay will be submitted to AAU next Wednesday and checks will be mailed to everyone on Friday July 24.
