## SHIRT of the DAY

Saturday June 19 – Dig Pink or white certified officials polo.

## REMINDERS

1. You **MUST** check the rosters on every match. The coach **MUST** initial the roster on every match.
2. A rostered adult must be the R2 on all matches. They should have their own whistle. They cannot referee without a whistle.
2. Point **YOUR** electronic whistle towards the court, not towards the ceiling.
3. No more than 2 coaches should be standing at one time.
4. Time Management
  - as soon as the match is finished, start the next match warm-ups, then complete scoresheet.
5. The referee lounge should be a place where referees can relax between matches. If you want to be loud and party, you should go to the food area. If you are on the phone, keep your conversation to yourself or go outside of ref room.
6. If you have negative comments about your schedule, please share them with me, so I can help fix them. Don't share your negative comments in public.

## DECIDING SET PROCEDURES

If teams need to play a deciding set, the R1 will conduct another coin toss. The winner of the coin toss will have choice of serve or receive for the deciding set. **The teams will stay on the same sides during the deciding set as they played on in the two previous sets. Teams will not switch sides in halfway through nor switch at the beginning of set 3.**

\*\* There should be bottles of water at the west championship desk tomorrow for the referees.

\*\*If you have not yet reviewed the powerpoint or points of emphasis, please do so tonight!! There is a very specific email address that needs to be emailed to state you've completed your task. Match pay could be removed if you have not completed the work by tomorrow at noon. If you want to watch the information on a computer, come to N322 and you can use a computer there.

**Signal of the day** – if a player hits the ball into the net and the ball then falls out of bounds, what is the call? If you said 'OUT', you were correct. If the last contact was by the player (not the net), then the call would be 'touch'.

Some referees have brought some extra shirts from other tournaments. If this is your first time here, stop by the office and check out the selection of possible shirts.
