

Referee Reminders – Monday, 10/15

❑ **Shirt for Monday:** White or Blue Certified Officials Shirt

❑ **Mandatory Meeting**

- ALL referees—regardless of what time you start or which site you are working—must meet at the Dixie Center at 7:15 AM for a mandatory meeting.

❑ **Playoff Seeding**

- All divisions will start bracket play on Monday. All courts in a division must finish playing before we can seed the playoffs and start bracket play. Please get your scoresheets turned in ASAP so that we can get this completed as quickly as possible.
- Do not give anyone information about how the seeding will work or about tie-breaking procedures. If they have questions, please direct them to Championship.

❑ **Match Format**

- All bracket matches will be **best 2 of 3!** This will be indicated on the scoresheet. The deciding set score sheets are yellow and will be included in the notebooks.

❑ **Mobile Entry**

- Mobile entry IS working reliably now, but you must reconnect EVERY TIME you enter a score sheet. If the “Enter a match code” screen is still active, the easiest thing to do is to hit the home icon on the AES screen and then re-select the red 2018 HWSG link. AES may accept your match code and results, but they results will not be recorded if you do not go back to the Mobile Entry home screen.

❑ **Scoresheets**

- At the Dixie Center, the notebooks on the table only have the scoresheets for the pool play matches. Scoresheets for bracket matches will be printed at the conclusion of pool play.
- At the off-sites, the scoresheets for bracket matches are included in the notebooks, but the team names are not listed. After all of the courts for a division are finished, we will provide the team names for each court and time.
- Referees and teams will all need to be patient as we get the information ready to start bracket play. Even if the teams “know” where they are playing, bracket matches MAY NOT START until the playing schedule is confirmed and posted in AES.

❑ **Time Management**

- Time management was better overall on Saturday, but please be extra diligent on Monday! There will be delays between pool play and the start of bracket play, but please do your part to minimize time between sets and between matches.
