

## Referee Reminders – Saturday, October 13

- ❑ **Shirt for Tomorrow:** Navy Blue HWSG T-Shirt
- ❑ **Mobile Entry**
  - We believe we have solved the main issue with Mobile Entry. Go to this link EVERY time you need to enter a scoresheet: <https://www.advancedeventsystems.com/scores/mobile>. Click the red event title and enter the password (hwsg1). If the red event title is not showing up, then Mobile Entry is not working. The best solution is to setup a shortcut on your phone that goes directly to this link—Rachael can help you setup the shortcut if you do not know how.
- ❑ **Scoresheets**
  - Double-check your scoresheets for accuracy. If each team wins one set, the results should say TIE with 1:1. You must also make sure the team names of who won and lost and the scores are correct. It is **YOUR** responsibility to make sure everything is correct.
  - Be sure to enter your scores *immediately* after each match. If Mobile Entry does not work, you must still bring your scoresheet to Championship before working your next match (or text your results to 402-669-9275). When texting your results, please include the Match Code, winning team (or Tie), and scores for each set.
- ❑ **Rosters**
  - Many of the teams did not turn in their rosters with numbers today. Rosters for the teams that still need to turn in their numbers will be included with the scoresheets, and you must return these to the Desk—do not leave them in the notebooks!
- ❑ **Off-Sites**
  - If you are going to an off-site, you must leave the Dixie Center no later than 8:00 AM.
  - In addition to the bag with notebooks, medical kit, etc., you must take one bag of warm-up balls for **each** court at your site.
  - When you return from the off-site, you should take all the scoresheets and completed rosters out of the notebooks and put them in the scoresheet basket.
  - HWSG is responsible for the volunteers that bring fruit to the off-sites. The people may not arrive until mid-morning. If players ask, let them know that someone should be coming.
- ❑ **Food**
  - If you are working at the Dixie Center, you will be given a lunch ticket. Pick up your lunch ticket at the desk before you go upstairs. You should only get one portion of each item, and all food stays in the lunch room or in the officials' room. Do not get “extras” and take them with you for later. There are snacks in the closet in the officials' room if you need something else to eat later in the day.
  - Sandwiches will be delivered to the Graf Building each day.

## ❑ **Team Schedules**

- If teams have questions about when they play or where they play, direct them to Championship. There is a computer there that they can use to check AES for their playing schedule.

## ❑ **Time Management**

- We have many teams playing at 6:00 PM tomorrow who want to attend the Social—help them finish on time by doing a better job with time management!
- There are too many delays between matches and between sets.
- There should be no more than 3 minutes between sets. After you get off the stand and finish checking with the table to make sure everything is recorded, get the teams back on the court to play the next set.
- Speed up the warm-ups! Unless your court is ahead of schedule, the 10 minutes of warm-up should start immediately after the previous match. Too many warm-ups are taking way too long. The next match can start as soon as possible. There is no time requirement about waiting.
- Occasionally you must wait for a team who is playing or reffing on another court.
- Before you forfeit a team, you must contact Sue or Rachael.

## ❑ **Volleyball Social**

- If you are planning to attend the social, pick up your ticket at the Championship desk BEFORE you go to your site.
- If you are working at Grafton tomorrow and planning to attend the social, you should take your after-work clothes with you, as you will likely not have time to come back before the Social.
